

Mike's Leadership Values for Toastmasters

Inclusiveness

Toastmasters throughout District should be fully included and appreciated.

Participative decisions

Decisions should be made by District leadership on a consultative basis.

Delegation

District tasks should be delegated to involve more members in District activities.

Fairness

Toastmasters resources should be fairly used throughout the District.

Transparency

Decisions should be transparent so members know what is happening...and why.

A Career in Leadership

Mike has held senior leadership positions in private and government fields.

In the private sector, Mike established a conference management business in the 1990s, producing over 50 business and professional conferences in WA, South Australia and Queensland.

Mike's leadership experience in Government includes

- Member of the WA Government's Senior Executive Service 1987-2003, including Deputy Chief Executive Officer of the Cabinet Dept
